# walk · listen · create

A digital commons

The screenshot shows the website's header with the logo (a person, headphones, and a lightbulb) and the text "walk · listen · create". On the right, there is a search icon, a profile picture, and a "Menu" button. The main content area features a large heading: "walk · listen · create is the home of walking artists and artist walkers". Below this is a paragraph: "WLC has been bringing creatives in the field of walking together since 2018. We are the home of the [Sound Walk September](#) and [Maršarto](#) Awards, and maintain [the largest archive of walking art](#)." To the right of the text is a colorful illustration of people walking through a cityscape with flags and a globe. At the bottom, there are two award announcements: "Maršarto Awards 2026" with a person and star icon, and "SWS Awards 2026" with a headphones icon. A vertical pink bar on the left side of the bottom section contains the word "Problemy" with a checkmark icon.
